ELECTRICAL ENGINEERING DEPARTMENT

COLORADO SCHOOL OF MINES

Name _____

Goal for exercise – "Introduction to OpenCV"	
What do you know about OpenCV?	**List all resources and what specifically you used or learnt from that resource to complete the challenge exercises.**

ELECTRICAL ENGINEERING DEPARTMENT
COLORADO SCHOOL OF MINES

Name _____

Compile a list of all documentation created. Provide file name and a short description of that file.

Provide an example of something that you would do differently or you could improve upon during the course of this exercise.

On a scale of 1-5, what is your comfort level with OpenCV after going through this exercise? (1 being least comfortable and 5 being most comfortable).
